ASSOCIATE FEATURE

Jameiya
Resident Assistant

We are happy to have Jameiya with us as a care giver, that gives her all. She is a recent graduate from Brevard College, she majored in Health science, with a minor in business. She returned to Knoxville to spend quality time with her Grandmother during her final days, which is what brought her in to this field of work.
In her free time, she loves to spend time with her family, especially her niece and nephew. She loves to smile and laugh, and make each day the best she can. Jameiya plans to further her education and hopes to become a Traveling registered Nurse.
