LIFE ENRICHMENT

Create Purposeful Days

We believe that aging, despite challenges, should be a time of continued growth and development rather than decline. At a Morning Pointe Senior Living community, we provide you with a rich environment focusing on your needs and wants. Our programming connects to your interests while also introducing you to new possibilities. At each community, the Life Enrichment Director or Lantern Program Director heads up the creation of the monthly calendar.

Stay "in the loop" with your loved one using LifeLoop! Designed to enhance communication between residents, family members and associates using a mobile or desktop app, this technology invites all parties to engage in day-to-day life at Morning Pointe.

Morning Pointe communities support you in having a sense of purpose, which has been defined as "an intention to accomplish something that is both meaningful to you and important for the world beyond you." MEMORY CARE

Specialized Care for People Living with Memory Loss

The Lantern at Morning Pointe Alzheimer's Centers of Excellence and Memory Care communities are designed specifically to meet the needs of residents living with Alzheimer's and memory loss.

We understand the challenges of Alzheimer's and other forms of dementia, which is why we use the Best Friends™ approach and practice the Teepa Snow Positive Approach™ to create a caring and nurturing environment. We provide purposeful, engaging, daily activities and plenty of interactive opportunities to create structure that helps your loved one feel safe and secure. The programming is designed so that every resident can participate. Activities are familiar, achievable, meaningful, and enjoyable for each specific resident.

In addition to residency, we also offer short-term care for people recovering from a hospital stay and respite care to give full-time caregivers a break so they can take care of other needs. This benefit varies by location.

**The Lantern memory care services are not offered in the following locations:
Athens TN, Greeneville TN, and Richmond KY**
