FLAG DAY & FATHER'S DAY RECAP

One popular theme we endearingly wrap our efforts around is Patriotism, honoring our very own Morning Pointe veterans.

Starting with the Memorial Day Mile, where staff, families and the Franklin community supported and encouraged our Veterans for a one mile walk event. Cheering them on until our last resident crossed the finish line!

We also observed Flag Day, by hosting our monthly Family Night. The evening started with a farm to table meal which included fresh corn and tomatoes from our very own Franklin's Farmers Market. The MP choir sang patriotic songs and the National Anthem, including a solo by veteran, Richard Park.

The evening concluded with a crowd favorite, Father's Day baseball game. Overall, the event was focused on recognizing those who have served, sacrificed and protected to ensure our freedom!

Farm to Table

One of the great benefits that MP loves to offer to their residents and staff is our Farm to Table program. This approach seeks out local farmers and fresh produce for our residents dining.

Many residents come from our farming community, so shucking corn and snapping beans are natural and an enjoyed activity.

We support our local farmers by attending the Market held on Saturday mornings.

Martha Peters brought back fresh tomatoes purchased by a Good Samaritan, as well as peppers, kettle corn and homemade breads to share.

Julena Schafstall

*Julena and her two sons
Ross & Reid*

Julena "Juli" Haymaker Schafstall was born July 27, 1960 to John and June Haymaker. She was born in Pensacola, FL at Navy Hospital, as her father was active in the United States Navy. The Haymaker family returned to Bargersville, Indiana in 1961.

Julena attended Center Grove Schools from first grade - fourth grade. Soon after, the family moved to Franklin, Indiana where Juli completed her schooling and became a Franklin Community High School graduate. After high school, Juli worked for the Department of Natural Resources, H.O.S.B, and Reliable Transmissions. In her spare time, she enjoyed muzzle loading with her father.

Through adulthood, she loved canoeing, gardening and canning vegetables from her garden. She later married and had two sons, Ross and Reid. She was very active in the Providence church for many years. Juli has always been very family oriented, helping organize an annual family fall festival for many years at her grandparents' home in the country. Juli was in charge of cider making, pumpkin carving, hayrides, etc.

Since moving to Morning Pointe, Juli participates in several of her favorite activities including gardening, weekly outings, and crocheting and knitting. She also enjoys getting daily visits from her
