

Jokes - Children's Thoughts

You never know what children are going to say next!

1. NUDITY

I was driving with my 3 young children one warm summer evening when a woman in the convertible ahead of us stood up and waved. She was stark naked! As I was reeling from the shock, I heard my 5 year old shout from the back seat - "Mom - that lady isn't wearing a seat belt!"

2. KETCHUP

A woman was trying hard to get ketchup out of a jar. During her struggle the phone rang so she asked her 4 year old daughter to answer it. She heard her say "Mommy can't come to the phone to talk to you right now, she is hitting the bottle!"

3. MORE NUDITY.

A little boy got lost at the YMCA and found himself in the women's locker room. When he was spotted, the room burst into shrieks, with ladies grabbing towels and running for cover. The little boy watched in amazement, and then asked, "what's the matter, have'nt you ever seen a little boy before?"

4. POLICE

While taking a routine vandalism report at an elementary school, I was interrupted by a little girl about 6 years old. Looking up and down at my uniform she asked "Are you a cop?" Yes, I answered, and continued writing the report. "My mother said if I ever needed help I should ask the police. Is that right?" Yes that's right, I told her. "Well then," she said as she extended her foot towards me, "would you please tie my shoe?"

5. ELDERLY

While working for an organisation that delivers lunches to the elderly, I used to take my 4-year-old daughter on my afternoon rounds. She was intrigued by the various appliances of old age, particularly the canes, walkers and wheelchairs. One day I found her staring at a pair of false teeth soaking in a glass. As I braced myself for the inevitable barrage of questions. she turned and whispered, "the tooth fairy will never believe this".

A little girl had just finished her first week of school. "I'm just wasting my time" she said to her mother, "I can't read, I can't write, and they won't let me talk!"
