### Summer is Here! Happy 4th of July!

Residents celebrated Family Night with the '50s diner and sock hop theme, complete with burgers, fries and ice cream, along with music by Kathy Huber. Even "Elvis" was in the building! There were several "winners" during this great event, including June Vance, who surprised us all with her dance moves; Pat Sparks, as best dressed in her pink poodle skirt, and Pete and Pat Cassels as the best dancers! Thank you to all the families who were able to come out and join us! We have many fun and exciting events planned for July such as Cow Appreciation Day on July 10th and National Hot Dog Day on July 23rd. We will have a pet parade -- calling all weiner dogs!

We will also be raising money for Alzheimer's Tennessee. And of course, there will be free hot dogs!

And for you financially savvy folks, Timothy Champ, from Edward Jones will be giving a talk on "The Foundations of Investing" on July 19th.

Happy July! Here we are in the 7th month of the year already! Summer is in full swing. Please plan on joining us for Chick-fil-A Cow Appreciation Day on July 10—wear your favorite cow costume and come with us to the local Chick-fil-A for a free lunch! We are celebrating Family Night, a Red, White and Blue Ice Cream Social, Tuesday, July 17, 6:00 p.m. to 7:00 p.m.

## • Kids • Pets • Music •

**Zumba with Samantha!**

Morning Pointe is proud to provide a Life Enrichment program which includes a variety of activities from pet therapy to partnering with local organizations such as Girl Scouts, Boy Scouts and local churches. Our goal is provide activities that stimulate residents mentally, spiritually and physically.

We provide a wide variety of daily devotions and exercise programs and enjoy having a variety of entertainers. Our residents go on at least two outings per week, whether it be touring Bush's Beans Museum or taking a tour of the monuments in the Knoxville area.

## • Associate Feature •

Congratulations to Jeremy England and Jay Muckle, chosen as employees of the month!

Jeremy is an LPN who has worked at Morning Pointe since May 2015. He serves the residents with patience and great kindness and a willingness to always help. He also has a very dry sense of humor which serves him well.

Jay serves as a cook in dining services, and he has been with Morning Pointe for seven months. During this time, he has captured the hearts of the residents and his coworkers for his kind heart, ever

present smile, and doing all that he can to help residents have a better day!

## *A Morning Pointe Resident Profile* **Getting to Know Your Neighbor**

### **Barbara Broome**

*Barbara and her Daughter, Kathy Cate*

Barbara Broome has been a resident at Morning Pointe since December 2014. Barbara was a June bride and married Bob Broome, June 17, 1950. At the time of Bob's passing, they had been married for 64 years. Bob served in the Navy, and during his early years of service, they lived in California. Bob spent 18 months on the USS Oriskany, nicknamed the mighty "O" for its prowess as an attack aircraft carrier.

When Bob went to sea, Barbara returned to Knoxville, where Cindy, their first child, was born. Barbara and Bob had another beautiful daughter, Kathy. She has five grandchildren and ten

great-grandchildren of whom she is very proud! Barbara stayed home for 9 years, and when she went back to work, she served in several roles in banking, retail, as a seamstress and as clerk in 4th Circuit Court for 23 years. She trained many attorneys and was later the Chief Deputy in that office!

Barbara was orphaned when she was eight years old and was raised by her grandparents. Her grandfather was the Sheriff of Jefferson County and then served as an agent for ATF. Barbara was also a leader in St. Andrews Methodist Church, working with children as well in the women's organizations.

*Barbara Broome and Her Precious Family*

She is a current member of Sharon Baptist Church. Barbara has most recently agreed to serve as an ambassador for Morning Pointe of Powell.
