Many wartime veterans and their spouses are not aware they may qualify for extra monthly income from the Department of Veterans Affairs, a benefit known as the VA Aid and Attendance Pension.

These funds can be applied to the cost of at-home or community-based assisted or supportive living services – services which many Morning Pointe communities provide.

If you or your spouse is in need of assisted or supportive living services and you believe you may be eligible, call 1-800-827-1000 to find the VA regional office nearest you.

A VA representative will help guide you through the process to determine if you qualify.
